Wrestle offs: If we have multiple wrestlers applying for the same weight class the Virginia Elite W.C. Coaches and the parents of the competing wrestlers will determine location and time for a wrestle off for that starting spot. Wrestle off matches will be 90 sec-90 sec-90sec. An official referee will be used if available.

Alternate Wrestlers: Runner-ups of wrestle-offs are invited to be rostered alternates and travel with the team. Alternates become the primary wrestler in the event of sickness/injury, tournament disqualification or failure to make weight.
